Job Title: Counselor

Location: Cincinnati, Ohio

Position Description

Camelot Community Care has current career position openings in their nationally recognized community-based programs in the Greater Cincinnati area.

Counselors provide mental health counseling and case management services to children and adolescents who display serious emotional problems and their families. Interventions are conducted most frequently in the family's home and school. Interventions may take place in other locations and systems in which the family participates, such as, the court system or hospital, throughout Metropolitan Cincinnati and Hamilton County.

Job duties include:

- Conducts the initial diagnostic assessment at admission
- Provides individual and family therapeutic counseling and case management services as outlined in the treatment plan
- Participates in school and staffing meetings
- Participates in court-related meetings for children on the caseload
- Attends Medical Somatic appointments with child and family
- Assures access to needed community resources and services as identified in the treatment plan
- Advocates with other professionals and agencies for the children assigned to the caseload

This opportunity includes a competitive starting salary and excellent benefit package, including health and dental insurance, 401K, and paid vacation and sick leave.

Supervision provided toward advanced licensure (LISW & LPCC)

Opportunity to work in a team oriented, supportive environment.

Educational and Experience Requirements

The successful candidate must have a Master Degree in Social Work, or Counseling and be licensed in the State of Ohio as a Social Worker (LSW, LISW), or Professional Counselor (LPC, LPCC).

Paid experience working with SED youth and their families is strongly preferred. The successful candidate will possess well-developed organizational and communication skills.

The successful candidate must demonstrate a high degree of cultural competence.
