Date of Advertisement: June 14, 2021

Job Title: STFC Mental Health Therapist

Location: Tampa Office

Position Description

Camelot Community Care is in search of an individual to serve as a Therapist for our Specialized Therapeutic Foster Care Program. This full-time position will allow you to grow your career, be challenged and realize the potential in yourself and others around you. If you are passionate about serving youth and families in their homes, have superior interpersonal and open communication skills, desire to work in an environment with constructive oversight and focus on successful outcomes, we want you. If you are positive, vibrant, flexible, and compassionate, we want you. We are seeking an individual with mental health clinical training and experience to implement Specialized Therapeutic Foster Care (STFC-CW). The STFC-CW is a top researched community-based intervention model directed at families with youth ages birth through 18 years old where there is involvement in the child welfare. More information on this treatment model may be found at www.fftilc.com.

Tasks will include:

- Assessment, treatment, documentation, and collaboration with caregivers, families, youths and community stakeholders
- You will function as part of an STFC-CW team and will participate in weekly team supervision and consultation
- Must be willing and able to work a flexible schedule based on families' availability
- Experience in family systems therapy or behaviorally-based marital and substance abuse treatment/therapy preferred.

Educational and Experience Requirements

This full-time position offers competitive benefits, including opportunities for thorough training in this highly researched evidence-based model. If you want to impact change and do it effectively, if you want excellent training, licensure opportunities, effective and meaningful supervision, to gain clinical experiences and skills, please apply. Expect to be challenged, developed and excited both personally and professionally in this role.

- Master's in mental health or related field required
- Experience working with children who have experienced abuse, neglect or other trauma helpful

Interested candidates should send resume to Kim Jackson-McCalla, Clinical Director via email to:
