For A Bright Future.*

Camelot Community Care Update

At Camelot Community Care, we hope that you and your families are safe and healthy and continue to navigate these uncertain times with ease.

As you know, the health and safety of children, families and staff is our top priority as Camelot continues to deliver services in all of our programs while staying abreast of the ongoing COVID-19 pandemic. Our programs continue to be fully operational. We are taking proactive steps to keep our children, families and staff members safe while serving the ongoing needs of our community. We are continually monitoring and responding to all recommendations by the CDC and our local health authorities.

Every day, our staff are going above and beyond to ensure the health and safety of those who are in our care. This has meant making hard choices and implementing new measures that impact our day-to-day operations ensuring the on-going safety of the children and families that we serve. To that end, Camelot is steadfast in our continued service to the communities we serve.

Camelot would like to extend a warm thank you to those who have called, emailed or reached out via Facebook to inquire as to what you can do to support us during these unprecedented times. At this time, Camelot Community Care has created a "Wish List" of needed items that have been identified by the youth, young adults and families that we serve. We would welcome donations of any/all of the item(s) listed in the Amazon Smile Link listed below or gift cards that would allow them to facilitate their needs through on-line shopping services. If your company and/or you personally would like to donate, please take a moment to visit our Amazon Smile Wish List located at:

https://www.amazon.com/hz/wishlist/ls/3IPWA9XOPU11?ref_=wl_share

Thank you for your consideration and ongoing support!

5th Annual Camelot Community Care Golf Classic

The 5th Annual Camelot Community Care Golf Classic has officially been canceled. Camelot would like to take this opportunity to extend a heartfelt "thank you" to the sponsors and teams that allowed us to redesignate their donations towards programming and immediate needs for the children, young adults and families that we serve. During this unprecedented time, we are extremely thankful to have your support as we continue the essential services to the

children in our care.

In addition, a number of our in-kind sponsors continue to send in great items that would have been utilized in the silent auction for this event. We are ever so grateful that they have allow us to keep these items in support of the work that we do day in and day out for the vulnerable youth we serve. With that being said, Camelot will be hosting our very first "Virtual Auction" with these items. How exciting would that be to have a little staycation, a basket of wine or something fun for your sports collection like a signed Tampa Bay Bucs football once things settle down?

Please be on the lookout in the coming weeks for the details! Thank you, once again, for continuing to support the work we do!

APRIL IS NATIONAL CHILD ABUSE PREVENTION MONTH

April is nationally recognized as Child Abuse Prevention Month. During the COVID-19 outbreak and the Stay at Home Executive Order in the state, the need to raise awareness is even more critical.

Here's how you can help spread awareness about and help stop child abuse:

KNOW. SEE. RESPOND. During April and all year long, we encourage adults and organizations in the community to play a vital role in making the state of Florida a safer place for children. When adults know how abuse happens, see the warning signs, and respond quickly to prevent abuse, they foster a culture of child abuse prevention. These three habits – KNOW. SEE. RESPOND. – can change the life of a child for the better. If you need to report abuse call the Florida Abuse Line at 800-962-2873. #childabuseawarenessmonth #camelotcommunitycare #fostercare #changealifetime
